* Congregations thus designated are affiliated, and not members of the Evangelical and Reformed Church.

Forty-nine Congregations thus designated failed to report for 1939. The figures used are of a former year.

The name of the pastor given is not always that of the person who made out the statistical report. In some instances, during a vacancy, a layman or some other person returned the statistics. Changes in pastorates known as late as May 15, 1940, have been included.

The determination of the present communicant membership was made by the Administrative Committee in principle, and sometimes in individual cases.

William E. Lampe, Secretary.

These statistics are furnished by national officials for their fiscal year and include only gifts from living donors. Budget Benevolences includes contributions for the budget adopted by the authorized agency. Denominational Benevolences includes the budget benevolences and all other contributions for the benevolences of the body reporting.

"All Purposes" sometimes includes contributions not listed in any other place, because these headings do not always agree with those used by different bodies.
